**Question for Moderator candidate:**

In retrospect, is there anything you would change about how the Article 10 (Gas Powered Leaf Blowers) debate was facilitated during the 2021 Fall STM?

Lexington Symphony Board member; previously served 9 years on the Appropriation Committee (one of the Town's 2 finance committees); previously served 10 years as an elected Town Meeting member from Precinct 7; now seeking my 14th one-year term as Moderator.

I'd ask the Deputy Moderator to preside.

Joking aside, it was a challenging meeting for all, with parliamentary twists and turns (amendments to amendments), last-minute changes of positions, etc. It wasn't pretty, but we managed to get through it in an orderly fashion - even if at times it didn't feel that way.
